

We are located in The Collection at Forsyth; an outdoor shopping, dining and office park. We are not a stand alone office. Our office is on the SECOND level of the Regus building; over the Chicken Salad Chick & American Cookie Co. Entrances to our office are on the side (west side of bldg), for stairs; and back (south side of bldg) for elevator/handicap access. There is plenty of parking at both entrances. There are also black directional marquis signs throughout the Collection that list Carroll Total Healthcare.
